

# Composite-ARF Fly-In Information Pack

Sunday May 20<sup>th</sup> 2007, Bickley Model Flying Club

Please print off and complete this form (1 form per pilot) and return it to me with your registration fees as soon as possible to the address at the end of this pack.

## Pilot & Helpers

Please note that 1 form per pilot should be completed. Each pilot can bring up to 3 helpers to the event if desired.

**Pilot Name**  Charged at £5\*

**Helper's Name**  Charged at £3 \*

**Helper's Name**  Charged at £3\*

**Helper's Name**  Charged at £3\*

NB Cheques should be made payable to Bickley Model Flying Club

## Contact Details

Please supply the best details to contact you on should there be further news regarding the event.

**E-mail**

**Telephone**

## Model Details

Please supply the details of the models you intend to bring. This is to gauge space/field layout and will also be posted on my website ([www.composite-arf.co.uk](http://www.composite-arf.co.uk)) so that everyone can see what will be flying at the event prior to arriving.

	Model	Engine	Radio	Scheme	Other Info
<b>Example</b>	2.6m Extra 330	DA-100	Futaba	Fantasy	Powerbox, Lipos & Smoke System
<b>Model 1</b>					
<b>Model 2</b>					
<b>Model 3</b>					
<b>Model 4</b>					
<b>Model 5</b>					

## Insurance Details

Please supply your BMFA insurance number

**BMFA Insurance number**

## Confirmation

I have read the supplied information and understand and agree to its contents.

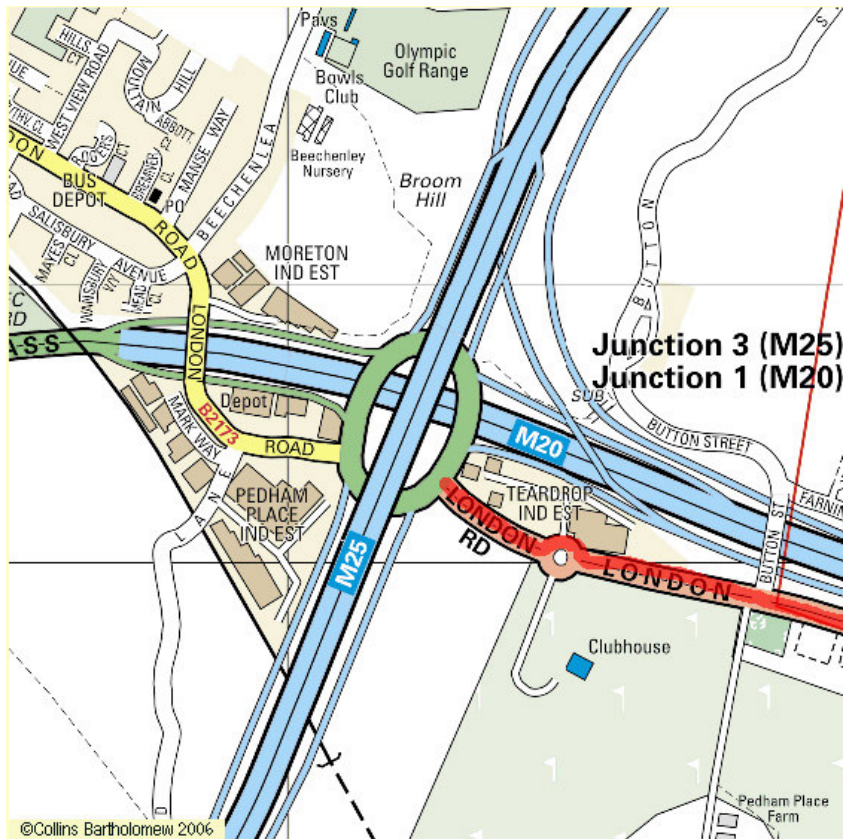

Signed.....

Date.....

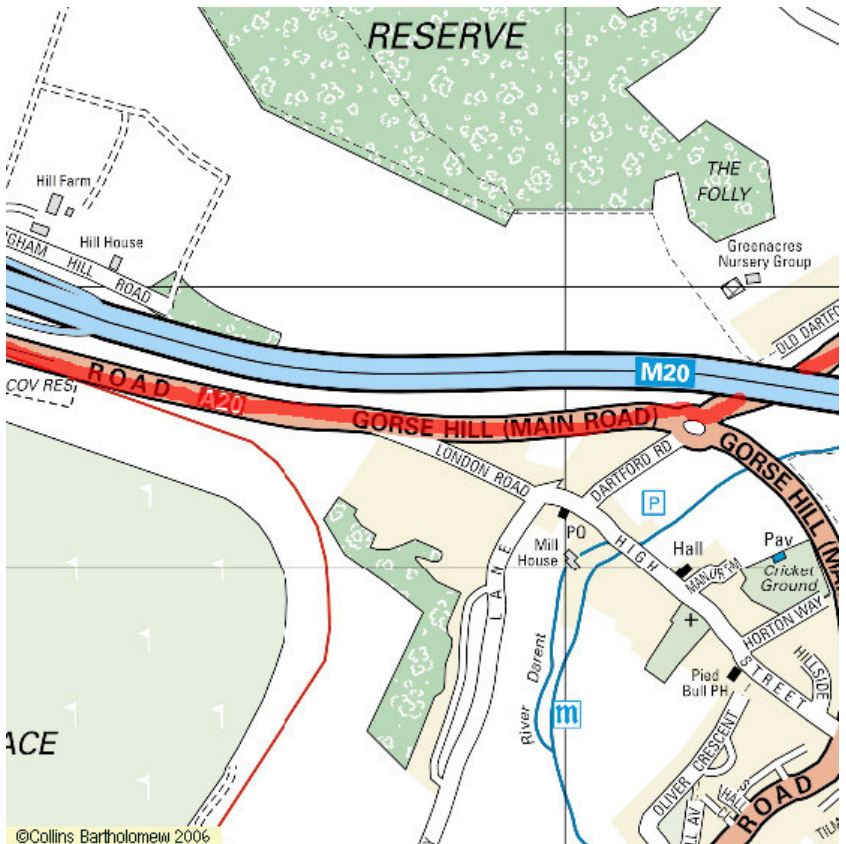

\* The charges made for pilots and helpers are to cover the cost of the hiring of toilets, food wagons, tents and other equipment for the day

## Directions to Field

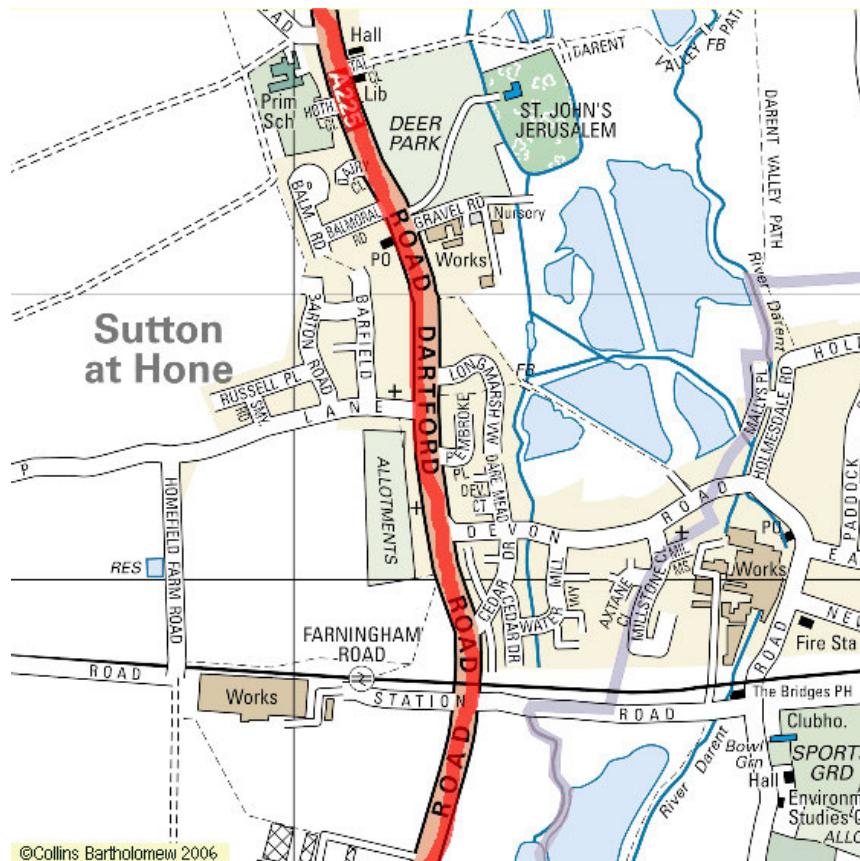

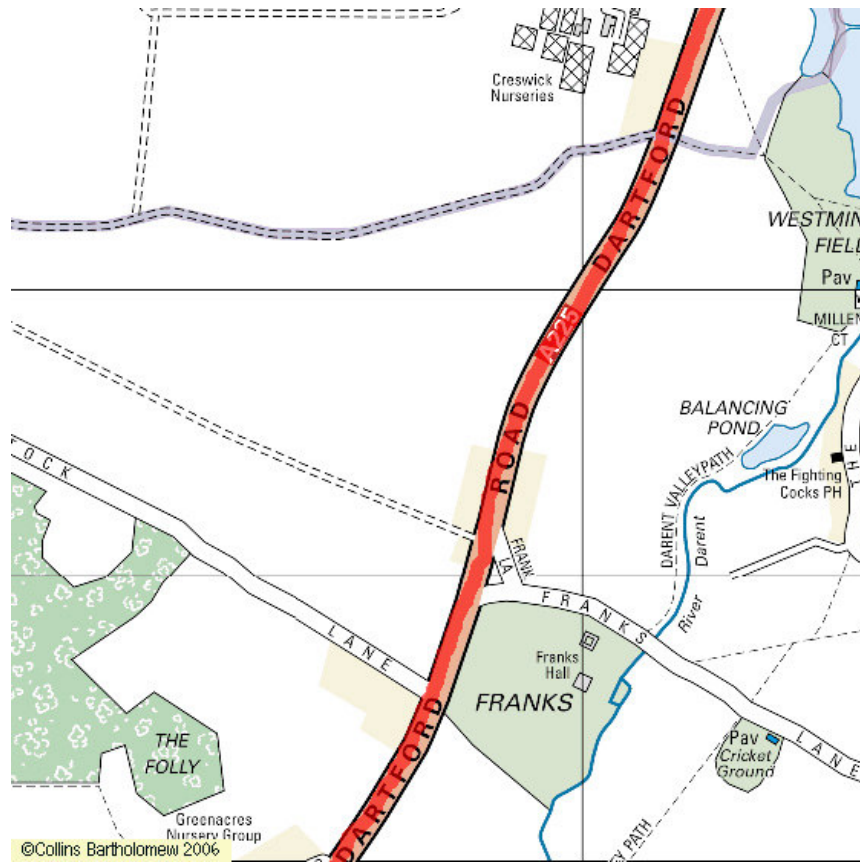

Leave the M25 at the Swanley Junction (Jct 3) at turn into London Road (old A20). Cross the roundabout and continue on.

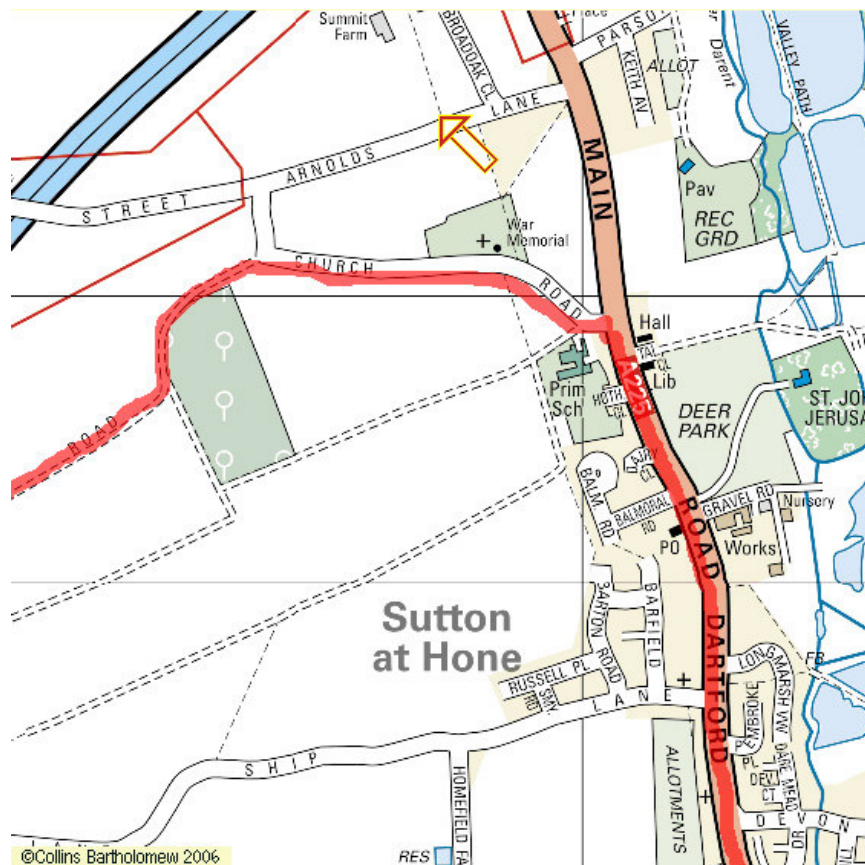

At the bottom of the hill you will come to a roundabout. Take the first exit into Dartford Road (A225) and go under the bridge.

Continue along this road for approx 2 miles. (Watch for the speed camera as you go under the large train bridge!)

Turn left into Church Road and follow the road. At the top of the hill it will turn 90 degrees to the right and you'll see a gate. Go through the gate and continue to the very end of this road and you'll come to the flying site.

For those with Satellite Navigation systems you should be able to enter “Arnolds Lane, Sutton at Hone, Dartford, DA4”

## Event Timings

The event will take place from 10:30am until dusk. Club rules state that no flying is to take place before 10:30am but please feel free to arrive before this time to setup and prepare you models.

## Pilot's Briefing

The pilot's briefing will take place at 10:30am

## Frequencies

Please note that BMFC allow operation on ODD numbered frequencies only other than 86,88 and 90

## Club Rules

The event will be held in accordance with the BMFC Rules & Regulations. These will be covered in the Pilot's Briefing. The event organisers have the right to ground any pilots who fail to adhere to these rules

## Models

For this event, only models manufactured by Composite-ARF or Fiberclassics can be flown by guest pilots. Models will be subject to scrutineering and will be grounded if considered unsafe to fly.

## **Insurance**

Proof of insurance is required. Anyone found lacking in insurance will NOT be allowed to fly.

## **CAA Ruling**

The 20kg CAA ruling will be in affect. Any models suspected of being over/close to 20kg will be weighed and grounded if found to be over 20kg unless a CAA exemption certificate is supplied.

## **Rubbish**

PLEASE ensure that you either take your rubbish home with you or at the very least place rubbish in the bins provided.

## **Contact Info**
